STANDARD FORM NO. 6 Approved For Release 2003/10/10: CIA-RDP65B00383R000100130100-8 UNITED STATES GOVERNMEN 4 January 1963 Mr. Warner 25X1 SUBJECT: Appropriations Committees office, called to ask for lists of the members 25X1 of the new Appropriations Committees. I told him that we would be glad to furnish but they of course would be announced in the press as soon as they are appointed. He had not thought of this and indicated that would be enough. He also made some point that they did not want to intrude in our area but would want to keep some sort of files on Committee members for their own use. I told him that you and [know each 25X1 other very well and John might want to talk to you about it but that of course it is alright for the Budget Division to keep such files.
